Hello! I am Tseng Fu Chun. I am 26 years-old. And, I am graduated from Tamkang University in 2014. First, I am a user of Freepik, and knowing that Freepik is hiring designers. Second, I found there are less graphics about Chinese in Freepik. Although I don't have much graphic works, but I have a strong attempt to try to be a designer. So, I sent my resume, to get this chance, help Freepik have more Chinese graphic and improve my graphic skills.
